

DCDC's Dinner and a Show

Featuring: Dueling Pianos International

SPONSORSHIP GUIDE

Join us and our professional entertainers as they tickle the ivories and tickle your funny bones. Put two sharp-witted, incredibly talented musicians with two pianos on a stage, then add in a roomful of people. **The result is an evening of fast-paced, funny, and unforgettable entertainment.**

Their musical repertoire ranges from Classic Rock to Country, Hard Rock to R&B, and Show Tunes to Top 40. Both entertainers engage the audience by taking requests throughout the evening and encouraging back-and-forth dialogue. It only takes one song to have party goers shouting out requests, singing along to favorites, bantering with performers, and having the time of their lives.

On Friday, April 27, 2018, Danville Child Development Center will present Dueling Pianos for a 12th year! Join us as we celebrate more than 40 years of

providing safe, nurturing and educational experiences for children in our region.

This will be the Center's 12th year with over \$100,000 raised in previous years to support the organization's mission. Proceeds from this year's event will once again benefit DCDC's **Building our Future Fund.**

The 2018 event will be held at the beautiful Pine Barn Inn in Danville, PA.

Will you join us in supporting this unique fundraiser?

WHY SPONSOR DCDC'S ANNUAL DINNER & A SHOW?

Our Event represents a unique opportunity to:

- Demonstrate and reinforce your company's **civic leadership and commitment to area children**
- Enjoy **advertising opportunities** as your business is acknowledged as part of the event's promotional campaign
- **Treat employees, prospective business partners and/or current clients** to a fun and unique evening
- **Support a leading local organization** that is at the forefront of early care and education providing children with opportunities to start school ready to succeed

ABOUT DANVILLE CHILD DEVELOPMENT CENTER

Established in 1974, Danville Child Development Center (DCDC) is a non-profit agency committed to providing high quality early learning to area children through our programs:

- Early Years Learning Academy
- School Age Care for Kids (SACK)
- Early Intervention Services in Columbia, Montour & Northumberland County
- Child Care Information Services of Columbia, Montour & Northumberland County
- Montour County Advocates for Children

DCDC serves over 1,000 children annually in these programs, with an emphasis on continuous improvement to our programs, facilities and personnel. Throughout this process, DCDC partners with families, other early learning programs and the community to provide children with consistent, supportive, and enriching environments.

DCDC'S BUILDING OUR FUTURE FUND

Danville Child Development Center's "Building Our Future" campaign is raising \$750,000 for the renovations at 2719 Bloom Road, which has created a flexible, spacious building and a new community asset. DCDC is building on its 42 year history in the community, building our future, and...

Building a Home for "SACK"

Since 1988, DCDC's School Age Care for Kids (SACK) program has been held at Danville Elementary School with the support of the Danville Area School District. In 2011, we moved! Our own site offers a home of its own for SACK, allowing DCDC to expand and enrich the program in ways not possible in a "borrowed" space. SACK provides children from kindergarten through 6th grade a safe, fun and educational environment, staffed by experienced educators who complement the skills the children develop in their school classrooms. During the school year, SACK operates before and after school, and in summer it is a full-day program.

Building Preschool Capacity

Much has changed in the early education field, and DCDC at times has been unable to expand into some preschool projects because of the limitations of its current facility. With our second site, DCDC has been able to expand its pre-kindergarten programs to meet the evolving demands of families in our community in new and exciting ways with the same high quality programming as our Wall Street location!

Building Community Ties

On Bloom Road, DCDC offers many new programs for families, kids and teachers, including: "Mommy (or Daddy) and Me" classes to provide parents of young toddlers the tools to be their own child's first and best teacher; parenting workshops just for moms and dads; group activities for children with special needs and their families to socialize and find mutual support; and education programs for the general public and those who work in the early childhood field.
