## Program Information

DCDC's SACK program is different from other school-age programs! We offer before and after school care for Kindergarten through 12 year olds, with three separate rooms to allow kids to spread out in a variety of activities, whether it's homework help, exercise in the gym, enriching classroom play, or computer lab in the Kid's Café.

With a staff of dedicated teachers with years of experience, the SACK program provides children with fun, enriching and educational experiences beyond their school day.

**School closings, delays, early dismissals, transportation, breakfast and snack are all included in the tuition.**

We only ask parents to provide a bag lunch for their children on days school is closed.

*DCDC's SACK program is a STAR 3 Keystone Stars facility, licensed by the PA Dept. of Human Services.*

Danville Area School District is providing busing for our SACK program. Their policy is that students may have one district bus stop for before school and one stop after school. If your child attends SACK less than 5 days a week, the School will not transport them to another bus stop. For after school you will have to pick them up from school or use our bus stop and pick them up when the bus arrives on the days they don't attend SACK. For before school you would have to take them to school the days they don't attend SACK.

**Parents-** To pre-register your child(ren) for the School Year Program, please complete all the information below and **return this form to:**
